1. Public Comment
2. Approve Minutes of Regular Meeting Held September 24, 2025
3. Approve July and August 2025 Expenses in Amount of \$957

Summary: Local District expenses represent costs that are the sole responsibility of the individual District. Allocated expenses, which are generally distributed twice per year in conjunction with the receipt of the District’s service charge revenue, represent the District’s proportionate share of expenses made by the Joint Outfall System pursuant to the Joint Outfall Agreement. The Agreement provides for the joint administration, technical support and management of the operations, maintenance, and capital costs associated with all the shared facilities for all of the signatory Districts, along with the methodology for determining the proportionate costs for each District. A listing of Districts’ payments and previously approved budgets can be found on the Districts’ website at lacsd.org/financial-documents. This item is consistent with the Districts’ Guiding Principle of commitment to fiscal responsibility and prudent financial stewardship.

4. Joint Outfall System (JOS) 2026 Proposed Service Charge Rates

Summary: In 2022, the Districts in the JOS adopted four-year service charge rate ordinances through fiscal year (FY) 2025-26. These Districts will be considering new rates beginning with FY 2026-27. Proposed rates have been discussed with the Personnel Committee over the last two years, and on September 24, 2025, it endorsed moving forward with public outreach and the Proposition 218 process based on the proposed rates. The formal rate ordinance adoption process will occur in spring 2026. The Chief Engineer and General Manager will discuss the proposed rates and the rate implementation process. This item is consistent with the Districts’ Guiding Principles of commitment to fiscal responsibility and prudent financial stewardship; and to plan for both short-term and long-term needs to minimize the need for significant rate increases.
